Collective Concept Map: Social Media Campaign Analysis (570 -16)

After your professor assign you a team, 1) click the center of the box to read the blog article. 2) Click the bottom of the box to answer the questions.

Team 1: A&W's Masala Veggie Burger Launch
Questions to answer:

1. What was the **campaign about**:
   This campaign was about a new burger from A&W called the Masala Veggie Burger, a vegetarian burger with South Asian flavours. The patty is made with vegetables and paneer, which is a type of Indian cheese. At first, the brand only sold this burger in Ontario. But many people bought it and some restaurants ran out of burgers in just one week. Because it was so popular, A&W decided to sell it in all Canada.
2. What was the **target population of the campaign**:
   The main group was South Asian vegetarians living in Canada.
   The second group was all Canadians who like to try new flavors, even if they are not vegetarian.
3. What were the **goals of the campaign (e.g., awareness, engagement, community building, lead generation, conversion)**:
4. What was **one Key Performance Indicator (KPI) tracked in this campaign**:
5. What was **one overarching theme of the campaign (e.g., education, value proposition, social value, authenticity, sharing points of view):**

Team 2: Tim Hortons Moonbits Contest
Questions to answer:

1. **What was the campaign about:**The campaign was about promoting Tim Hortons' Moonbits and celebrating the Artemis II space mission. People could enter an Instagram contest for a chance to win prizes.It encouraged people to follow Tim Hortons on Instagram, like the contest post, and tag a friend for a chance to win Moonbits boxes and a $25 CAD gift card.
2. **What was the target population of the campaign:**The target population was Canadian residents aged 18 or older who use Instagram and are interested in Tim Hortons and its products.
3. **What were the goals of the campaign (e.g., awareness, engagement, community building, lead generation, conversion):**The goal of the campaign was to increase brand awareness and engagement by encouraging people to like the Instagram post,

timhortons.ca

Tim Hortons Moonbits official contest rules and regulations

follow Tim Hortons, and tag their friends in the contest.

4. **What was one Key Performance Indicator (KPI) tracked in this campaign:**The number of contest entries through Instagram comments tagging friends was one possible KPI.
5. **What was one overarching theme of the campaign (e.g., education, value proposition, social value, authenticity, sharing points of view):** The main theme was celebration and community engagement, connecting the excitement of space exploration with the Tim Hortons brand.

Team 3: The Eras Tour - Sharing photos of each other's outfits on social media

Questions to answer:

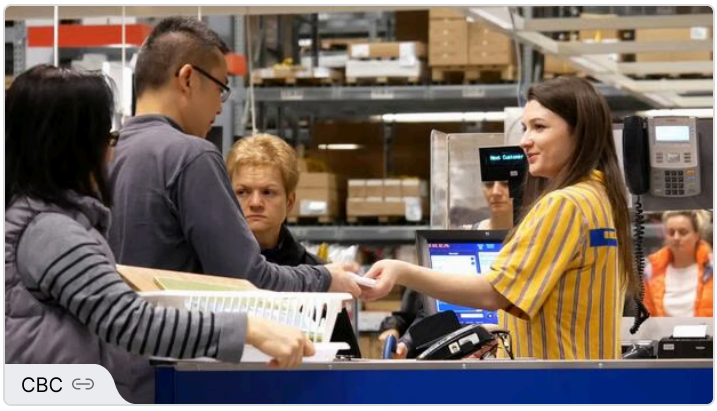

1. What was the **campaign about**:
   The campaign centred on Taylor Swift's Eras Tour, where fans dressed in outfits inspired by her different musical eras. Fans shared their creative outfits on social media, turning concert fashion into a form of self-expression and fan participation.
2. What was the **target population of the campaign**:
   The primary target audience was Taylor Swift fans (Swifties), particularly teenagers and young adults who enjoy music, fashion, concerts, and sharing content on social media platforms such as TikTok and Instagram.
3. What were the **goals of the campaign (e.g., awareness, engagement, community building, lead generation, conversion)**:
   The main goals were engagement, awareness, and community building. The outfit trend encouraged fans to participate creatively, share photos and videos, interact with other fans, and generate excitement around the Eras Tour.
4. What was **one Key Performance Indicator (KPI) tracked in this campaign**:
   One relevant KPI was social media engagement, measured through likes, comments, shares, and views of fan created outfit posts.
5. What was **one overarching theme of the campaign (e.g., education, value proposition, social value, authenticity, sharing points of view):**
   The overarching theme was authenticity and community building. Fans expressed their personal connection to Taylor Swift's music through creative outfits, creating a shared experience and a sense of belonging.

Team 6: A&W's Masala Veggie Burger Launch
Questions to answer:

1. What was the **campaign about**: The campaign promoted A&W Canada's Masala Veggie Burger, inspired by South Asian flavours. After its

A&W's Masala Veggie Burger rolls out nationwide due to record-breaking demand!

successful launch in Ontario, A&W expanded the burger nationwide for a limited time at a price of $6.

2. What was the **target population of the campaign**: The primary target audience was South Asian Canadians, especially vegetarians, who enjoy authentic Indian flavours. The secondary audience included Canadian customers interested in trying new vegetarian food options and bold flavours.
3. What were the **goals of the campaign (e.g., awareness, engagement, community building, lead generation, conversion)**: The campaign had three main goals: Brand awareness: Introduce the Masala Veggie Burger across Canada. Customer engagement: Connect with South Asian communities through familiar flavours. Sales conversion: Encourage customers to purchase the burger through a limited-time $6 offer.
4. What was **one Key Performance Indicator (KPI) tracked in this campaign**: According to the press release, the burger achieved record-breaking sales and sold out at many Ontario restaurants within one week. This demonstrated strong customer demand and encouraged A&W to expand the product nationwide.
5. What was **one overarching theme of the campaign (e.g., education, value proposition, social value, authenticity, sharing points of view):** The campaign celebrated South Asian flavours and made them accessible to a wider Canadian audience. By partnering with Nanak Foods, A&W emphasized authentic ingredients, cultural diversity, and bringing communities together through food.
